**CITY COUNCIL MEETING
Minutes Caucus Meeting January 4, 2022**

After the pledge and invocation by Amy Hurst, Mayor Stinson called the meeting to order.

The following Council Members answering roll call:

Amy Hurst	Present	Joyce Carson	Present
Craig Owen	Present	Sebastian Ernst	Absent
Darryl Ammerman	Present	Luke Price	Present

Also Present: Attorney Brandon Voelker

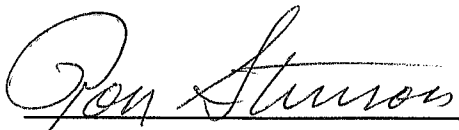

John Lucas-Assistant Fire Chief gave a brief summary of the report he had submitted. Question was raised regarding the city limits South of town due to a call in the area. Also the hose purchase and testing was complete, work on the interior of the fire house was almost complete and new lockers had arrived and would be installed.

Gary Lea reported they had been trimming trees, putting up more lights, have done all the meter replacements they had purchased. They will be ordering about 200 more and that should take care of the electric meter replacement project. The new "Falmouth" sign had been installed at the Hwy 22 intersection.

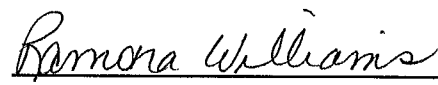

Andy Richie reported the Sewer Project for the most part was complete. An electrical panel was the last item to be inspected before it's operational, and the gravel will wait until Spring and weather permitting. They were having issues with the Polymer Pump but under control.

Clerk Ramona Williams stated there was a tentative meeting scheduled for January 6th to meet with Bruce Hall, Brian Thompson, Brett Price, the mayor and attorney to discuss permitting process and roles of each entity. Will make an effort to get a Code Enforcement Meeting schedule before the end of January to review citations unanswered.

Steve Groh was present and again voiced his concerns on blighted properties in the City. He would like to be informed of Code Enforcement meeting.

Ron Stinson, Mayor

Attest: City Clerk
